

PROGRAM INTRODUCTION

Arcose Consulting is now accepting registration to our COVID-19 OHS Resources for Employers program, with rollout to begin March 31, 2020. This program will assist companies with navigating the strenuous new occupational health and safety requirements presented by the COVID-19 pandemic.

WHAT YOU GET

- Access to online resources including:
 - o COVID-19 policy and risk assessment templates
 - o Working alone / working at home procedures
 - o Recommended personal protective equipmentAll updated regularly to comply with guidance from health authorities and OHS regulators
- Access to our online forum to share comments and questions to our hygienists or your fellow registrants
- One 30-minute private session, per month, on the phone or online with one of our hygienists to ask any immediate questions you may have about COVID-19 occupational health and safety or any other health and safety matter

PRICE

Monthly: \$150 per month

3-Month Subscription: \$130 per month

HOW TO REGISTER

To register, fill out the form on the reverse and email to info@arcose.com. Upon receiving your form, an invoice will be emailed to you. Once payment has been received, you will be provided access to our site and you can begin accessing resources and booking your first private session with one of our hygienists.

We understand the urgency of your gaining access to these resources so ask that you simply follow the 3 steps below and we will have you enrolled as soon as possible.

Step 1: Complete this form and email to info@arcose.com

Step 2: Complete payment of invoice sent to your “Billing Email” provided below.

Step 3: Begin accessing online resources, sending questions to our experts, booking private sessions with hygienists and sharing posts with our team and your fellow registrants as early as March 31, 2020
