

Position: EHS Consultant

Date of Closing: May 15, 2022

Work Location: Primarily Metro Vancouver, some travel required.

Office Location: 203-5460 152nd St., Surrey, BC

Position Description:

Arcose Consulting Ltd. (Arcose) is seeking an Environmental Health and Safety Consultant. We are looking for a hardworking and ambitious professional to develop into a well-rounded EHS consultant.

The successful candidate will be responsible for project support and consulting service delivery.

The expectation is that competent, courteous, professional service will be provided to clients and colleagues.

This is a full-time position. It is expected that adjustments to work schedules will be made as required to accommodate client schedules, project work and office needs.

Upon completion of 3-month probation, the successful candidate for this position will receive a competitive salary as well as a comprehensive benefits package including 5% matched RRSP plan, 120 hours annual vacation and medical, dental and long-term disability coverage.

Minimum Requirements:

- Diploma in EHS, Bachelor degree in science, or Bachelor degree in engineering.
- Previous consulting, manufacturing and/or construction experience considered an asset
- Ability to travel for project work
- A valid BC driver's license
- Access to a reliable vehicle with appropriate insurance
- Strong verbal and written communication
- Proficient use of Microsoft Word, Excel and Outlook
- Ability to work independently
- Ability to work in the field in adverse conditions, such as construction sites, mines and manufacturing facilities
- Ability to use respirators, hard hats, eye protection, foot protection, and other PPE without restrictions
- Ability and willingness to climb ladders
- Ability to move equipment and other loads as great as 40 pounds over uneven ground
- Must be able to pass criminal records checks and security checks in compliance with company policy, client specifications and regulatory requirements
- May be required to undergo drug testing, as per client requirements

About Arcose:

Arcose is a growing environmental health and safety consulting company based in Metro Vancouver. We have strong connections to the health and safety community and are building on our reputation as we work to establish ourselves as a premier team of health and safety consultants. We pride ourselves on working with our clients to develop and provide solutions that meet their expectations.

To ensure the highest quality product, all final reports are reviewed and approved by qualified professionals. Our focus on providing a quality product helps to distinguish us from our competition.

Applications: Please forward all applications to resume@arcose.com. Please reference the position title in the subject line.
